Wraps together the four solutions
you need to **fix learning gaps**

“It’s everything together that makes my teaching so much more effective!”

Danielle Phillips, Coral Academy of Science in Reno, NV

Find and fix learning gaps with Moby Learning.

Engage and excite the entire class with Moby Interactive.

Pinpoint missing skills and measure progress with Moby Assessments.

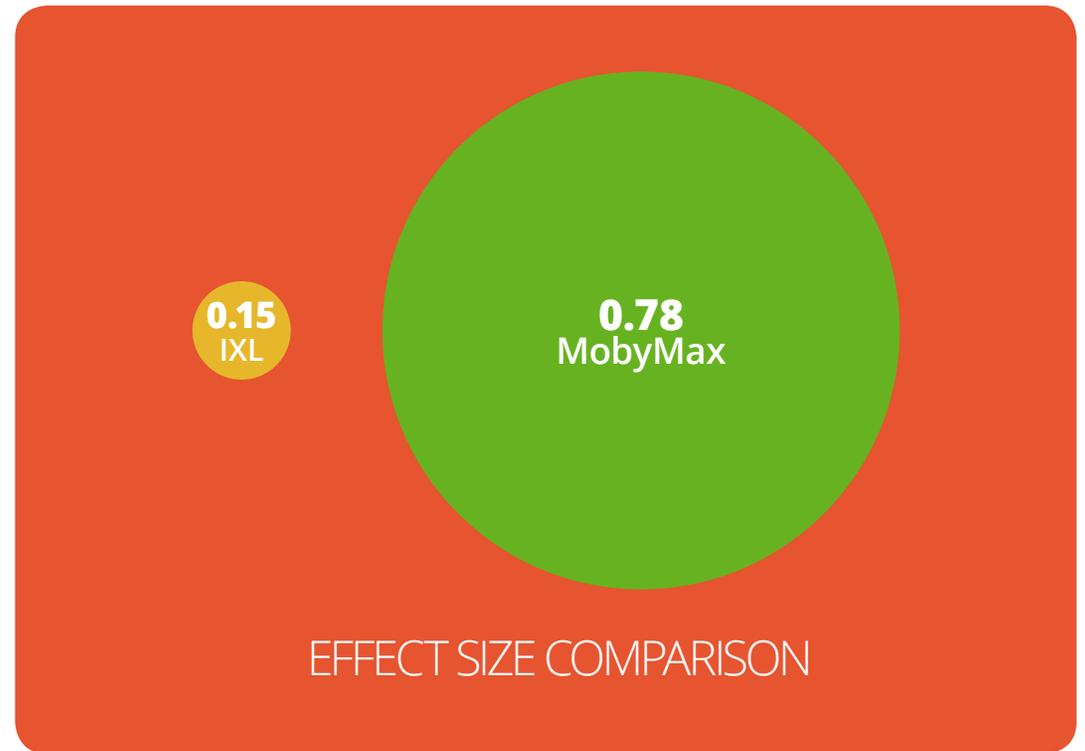

Motivate students to achieve remarkable growth with Moby Real Rewards.

Every student has learning gaps. Our research has shown that the single most effective way to improve student outcomes is to find and fix missing skills.

The **most** effective

Compare MobyMax to all other leading solutions and their research results and you will see MobyMax is the most effective solution for improving student outcomes.

MobyMax adds 40 weeks of additional growth in a school year.

The **most** awards ever!

From Early Learning to STEM, MobyMax consistently impresses education experts in rigorous head-to-head analysis, winning 49 awards last year.

The **most** affordable

MobyMax provides a complete suite of curriculum and assessments for less than \$5,000 for a school license.

The average school pays over \$100,000 per year for edtech software solutions for curriculum and assessments.

The **most** complete

From award-winning early childhood curriculum to algebra, from formative assessments to benchmark tests, from adaptive practice to fluency games, MobyMax is the only comprehensive and complete education solution available.

MobyMax's completely integrated system shows 360 degree progress monitoring as well as analysis for students, parents, teachers, principals, and district administrators.

Over 60 curriculum, assessments, and practice modules and subjects!

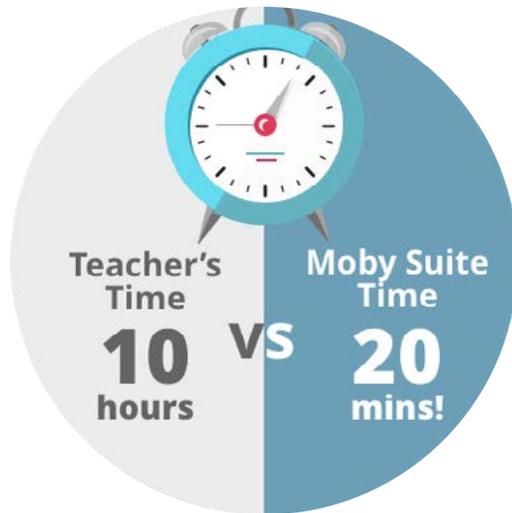

The **most** motivating

The reason MobyMax's effectiveness is double that of other leading solutions is that students are motivated with dozens of motivational tools, including Real Rewards, badges, game time, and more.

MobyMax's secret sauce is the ability to maximize student motivation while minimizing the amount of time spent motivating, leading to more learning time.

The secret to success is Real Rewards.

The **most** efficient

MobyMax makes a teacher's life easier. Simple to use and learn, MobyMax immediately starts saving time for teachers. For example, MobyMax automatically assigns lessons and begins fixing missing skills using an adaptive placement test. In other words, teachers see progress reports without even having to assign a lesson. Even better, the built in motivation tools and rewards keep students eager to learn more without teacher intervention.

Save a ton of time while your students quickly catch up to grade level.

The **most** loved!
